#### Old Business:

#### **-Park Cleanup day**

Thank you to everyone who came and volunteered their time and equipment. We had a little over 25 volunteers. There is still some painting left to do, and we decided to paint the gazebo- to be around next baseball season. We will plan another date for next year, advertise for a longer time to give other people time to plan on attending.

#### **-Fall Sports Update**

-Soccer games begin this week, both of our teams are going well. Some hiccups with Dylan Jude Harrell league, we will be looking into a different league for next year- Warrenton? Wahkiakum?

-All fall teams except volleyball have their spirit gear and sponsor shirts already.

-We are doing 1 additional order of spirit gear for fall sports, we had a lot of interest from people who didn't order during registration. Megan to get order form to coaches on Monday, orders due by Friday 9/22.

-Volleyball games will start soon.

-Flag football games started on Saturday, Sept 16th. There are some concerns about the team structuring, APRD structured their teams differently than ours so we have kids playing in an older age group.

-Fall sports pictures for all teams will be on Friday, Sept. 29th starting at 4pm with soccer.

#### **-Fundraising**

Turkey Bingo:

-Trenton has been in contact with Tammy Haataia about obtaining donations for our turkey bingo event and silent auction, she requested that we get her a letter with info about our non profit and she would help get donations.

-Date set for Saturday, November 11th, 2023.

### Blankets:

- Compared the old order of blankets side by side with the new order of blankets, the older ones are heavier and bigger. Stadium blanket company also sent the wrong decals, they are sending an additional 200 for free. We have around 25-30 blankets left from the first order. Discussion over what price to sell the new blankets at, we settled on the same price as the first order.\$75.00 each, voted and approved.
- Crystal sold \$555.00 at the highschool football game between blankets and decals.

### **Basketball:**

- 6th graders have the possibility of playing middle school basketball, signups available through Naselle schools, we may not have a 6th grade boys or 6th grade girls team depending on numbers.
- We were approved to spend \$50.00 per basketball, our liaison has requested to spend \$80.00 per ball for the older groups(4th-6th grade). Voted and approved. Wilson Evolutions come with different logo colors, which will make separating balls into the correct coaches bag easier. We will continue to use the Wilson jet pro balls for the younger groups of kids.
- Mandatory pre and post season meetings with coaches to discuss expectations for the care of the sports gear, as well as returning the gear.
- October 10th, there is a pre season basketball meeting with Astoria parks and rec, Trenton and Ian will be attending.
- October 20th Astoria parks and rec is hosting a referee training, all are welcome to attend.
- All teams will be using the same jerseys we had last year- girls will use reversible jerseys, boys will use the jerseys purchased last year.
- Sponsor shirts for basketball will be a long-sleeved, gold shooting shirt so that every child gets one.
- A late fee will be added for players that get signed up late (1 week after registration closes) at \$10.00. Voted and approved.
- Open gym Sundays for 3rd-6th grade opening back up. Times will be from 4:30-6pm
- Naselle Sports Club will be buying a broom for use in the fieldhouse gym at the school.
